

**"MOVE OVER FLORIDA --
IT'S THE LAW!"**

The "Move Over" law requires motorists to move over when a patrol car, emergency vehicle or tow truck/wrecker is stopped on the side of the road with its lights flashing. If such movement cannot be safely accomplished, motorists shall slow down to a speed 20 mph below the posted speed limit.

TOWERS WITH A HEART

"Towers With A Heart" is a group of friends and co-workers coming together to protect those who are helping others on the busy roads. This organization hopes to raise funds to provide billboards and signs on the road to educated drivers about this law, and the hazards that occur when motorists do not obey the law.
